

## Route description

### Are you traveling by train?

RuimteUtrecht is within walking distance (10 minutes) from Utrecht Central Station. Take the exit towards 'Jaarbeursplein' (Jaarbeurs square). Cross the Jaarbeurs square, pass the Beatrix theatre, and turn left onto the 'Croeselaan'. Once you reach the Rabobank office with the tower, turn right at the pedestrian crossing place to the 'Van Zijstweg'. Follow for 200 meters the 'Groenmarktstraat' with on your left offices and on your right the 'Van Zijstweg'. Pass the entrance of the high building of restaurant 'Fico' and after 50 meters you will find the four gray gravel silos '(U-trechers) where the meeting finds place. They are situated near the waterside, next to the crane.

### By car?

The nearest parking places are in the surrounding Parkhaven neighborhood. Here parking is largely free, but the parking places are very popular.

An alternative is to use the parking spaces of P4 at the adjacent Jaarbeurs Utrecht, approximately 400 meters away.

P4 is located on "Truus van Lierlaan". Enter this address in the navigation system or from the Ring Utrecht follow the blue ANWB signs with the indication "Jaarbeurs" and then P4. Payment afterwards is possible at the parking machine on P4.

Walking route from P4 to the U-funnels:

Walk across the footbridge behind the parking garage to the west entrance of the 'Jaarbeurs'. After the bridge, turn right immediately and walk approximately 200 meters straight ahead with houseboats on the right and the steel U-funnels at the end of the path on the other side of the 'Van Zijstweg'.

### By bike?

You can park your bike under the silos.

### Entry

Every stairwell has a sign saying in which silo you're expected.
